

LEAH'S DREAM FOUNDATION

P.O. Box 602
Marysville, WA 98270

March 19, 2019

Dear Community Member,

Leah's Dream Foundation will be hosting our 5th Annual Golf Tournament and Silent Auction on Saturday, July 13th, at Battle Creek Golf Course. We are grateful for and rely on the support of our caring members in our community to allow us to conduct activities and programs that connect individuals with autism to their community. We are seeking either monetary and/or material donations to be used as event prizes and auction items from our local businesses to make this event a huge success.

Leah's Dream Foundation is a nonprofit 501(c)3 organization that was established in May 2015. Our mission is to provide social, charitable, economic and other support for families of children and adults with autism. Our focus is in conducting activities and programs that support and expand the educational, medical, rehabilitative and other opportunities available to children and adults with autism living in Snohomish County.

Throughout the year, Leah's Dream Foundation hosts a total of six community-wide events that are free to families to attend. Each event has its own theme, with a variety of arts and crafts that are tailored for each event. We most recently have added our own photo booth so families are able to receive a personal memento to bring home for a keepsake. We personally know the hardship of having a child with special needs. It is important that we make sure we provide families with an event that allows families to include their loved ones and not have to worry about any of the costs of these special family gatherings. It is such a relief for families, and they appreciate that each event is for their child with special needs and we have gone far and beyond to make this evening to be all about them!

Leah's Dream Foundation has become an asset in our community, especially through our donations to the Marysville School District. In the past four years, we made a positive impact on the lives of children in our community through PECS training, and building an inclusive playground at Kellogg Marsh Elementary. Most recently, Marysville's Special Education Department was able to purchase three additional MEville to WEville Curriculum for the two elementary's Developmental Learning Program.

With your support, we are able to make a difference in the lives of individual's with autism and special needs. So, we ask if you would consider making a tax-deductible donation to Leah's Dream Foundation. Enclosed is information regarding our 5th Annual Golf Tournament and sponsorship opportunities that are available. For additional information, please visit our website at www.leahsdream.org or email donations@leahsdream.org.

Sincerely,

Deanna Sheldon
President of Leah's Dream Foundation
